The Board of Miami County Commissioners will hold three (3) Public Hearings on proposed changes to the fees charged at the Miami County Transfer Station and Recycling Center for solid waste disposal in compliance with Section 121.22 of the Ohio Revised Code and in conformance with Section 343.08 of the Ohio Revised Code.

The current and proposed Transfer Station Fees are as follows:

Disposal Charges: Current Rate: \$64.05/Ton (exclusive of OEPA fees)

Low Density Surcharge (LDS): (**no change**)

To be applied to containers or trucks of five (5) cubic yard (CY) or larger loaded with material of a density or composition less than 0.20 tons/cubic yard (T/CY), or five (5) cubic yards/ton (CY/T). The LDS is calculated by converting the net weight of the load to CY using the ratio of five (5) CY/T. The container volume less this converted volume times \$3.30/CY equals the LDS. The LDS shall be applied to loads five (5) CY or larger that are >75% full based on the volume of the container, not weight. The LDS is based on the current average transfer cost of \$16.50/T and the average ratio of five (5) CY/T for solid waste.
