

**PROBATE COURT OF MIAMI COUNTY, OHIO**

**SCOTT ALTENBURGER, JUDGE**

GUARDIANSHIP OF \_\_\_\_\_

CASE NO. \_\_\_\_\_

**JOURNAL ENTRY EXTENDING ACCOUNT**

The Court finds that the funds in this matter have been placed in a custodial depository and that: ( ) None of the funds are currently being spent for the ward; ( ) The custodial depository is releasing to the Guardian/Custodian less than five hundred (\$500.00) dollars per month; ( ) The funds are being paid from the custodial depository directly to a nursing facility as previously ordered by the Court; ( ) the Guardian/Custodian receives less than five hundred (\$500.00) dollars from all sources per month; and that the custodial financial institution is required to file a report every two years as to the funds in this matter.

IT IS THEREFORE THE ORDER OF THIS COURT that the time in which the Guardian must file their next account be extended until either the Guardian receives funds other than specified above or the Guardianship is terminated.
