

**SURRENDER**  
(MINOR PARENT)

I, \_\_\_\_\_, parent of \_\_\_\_\_  
\_\_\_\_\_, acknowledge that I am of sound mind,  
that I am \_\_\_\_\_ years old (born \_\_\_\_\_), that I am not  
under the influence of alcohol or drugs, and that this surrender  
is given voluntarily and free from undue emotional duress.

I understand that by signing this surrender I am permanently  
surrendering, releasing and giving up all present and future legal  
rights which I have or may have with regard to my child named  
above, which rights I naturally have as the parent of my child.

I understand that after signing this surrender I will be in  
the same legal position as someone totally unrelated to my child.

I understand that the legal rights which I am permanently  
surrendering, releasing and giving up by signing this surrender  
include but are not limited to the following:

1) Any right of custody of my child including all present and  
future right to have, control or possess my child, to see or visit  
my child, to determine or decide on the care, education, living  
surrounding, location and upbringing of my child;

2) Any right to receive any possible future support or  
financial aid from my child, any right to receive the future  
earnings and any other property of my child;

3) Any rights of inheritance from or through my child which  
might otherwise legally be mine by reason of being the parent of  
my child; and

4) Any other rights and privileges that now or in the future

might be given by law to any parent in respect to the child of such parent.

Neither I nor anyone else that I know of have received any money or other financial benefit or the promise of any money or other financial benefit in return for my surrendering my child except as I have fully listed below:

I acknowledge that the contents of this document have been fully reviewed with me and explained to me, and that I have had the opportunity to ask any questions which I might have about this document or the surrender of my child.

I acknowledge that I have had the opportunity to speak with \_\_\_\_\_, Attorney at Law, as my guardian ad litem, that said guardian ad litem has also explained these rights to me and that I have had an opportunity to ask any questions of my guardian ad litem which I might have about my rights or the surrender of my child.
