RE: SANE Program at UVMC

Dear Mr. Besecker:

This letter is to share with you information about the SANE Program at Upper Valley Medical Center. We have a contract with SANE of Butler County to provide 24/7 coverage of Sexual Assault Nurse Examiner (SANE) forensic examinations to patients that present to the Emergency Department after a reported sexual assault. This includes the collection of evidence of sexual assault and documentation of the physical examination in compliance with applicable state and federal protocols. All the SANE nurses meet the requirements of Ohio Revised Code Section 2907.29. Upper Valley Medical Center, through this contract, can provide SANE examinations on patients thirteen (13) years of age and older.

If I can provide additional information, please feel free to contact me at 440-4514.  
Thank you.

Sincerely,

Thomas R. Parker  
President
