Decree of Court.

J. Smith Talbot Clerk of the Court of Common Pleas within and for said County and State hereby certify that at the October (20) Term A.D. 1873 of said Court to wit on the 14th day of November A.D. 1873 in the three several cases then pending in said Court to wit, Charles H. Culbertson against George Green, Recorder of Miami County, and the Incorporated Village of Troy No. 4600. Albert G. Meredith against George Green Recorder of Miami County and the Incorporated Village of Troy No. 4602 proceedings were had and entries were made in each of said cases as follows to wit
 This day came the parties by their Attorneys and thereupon the cause came on to be heard upon the motion of the defendant to strike from the petition of the plaintiff certain averments therein contained and whereupon said motion was over ruled by the Court. And thereupon this cause came on to be heard upon the petition of the plaintiff said defendant declining and failing to answer further in the premises whereupon the Court being fully advised in the premises do find that the several matters in plaintiffs petition averred (so far as the same affect his individual property and rights) are true as therein alleged. It is therefore ordered, adjudged, alleged and decreed, that the said defendants be and are hereby perpetually enjoined and restrained from annexing the lands of said plaintiff to the corporate territory of said Village under the proceedings referred to in said petition.

And it is further ordered that as to the territory and lands on the West side of the Miami River embraced in said proceedings said authorities and the Recorder of said County shall not be affected by the decree herein but that as to the territory last aforesaid they

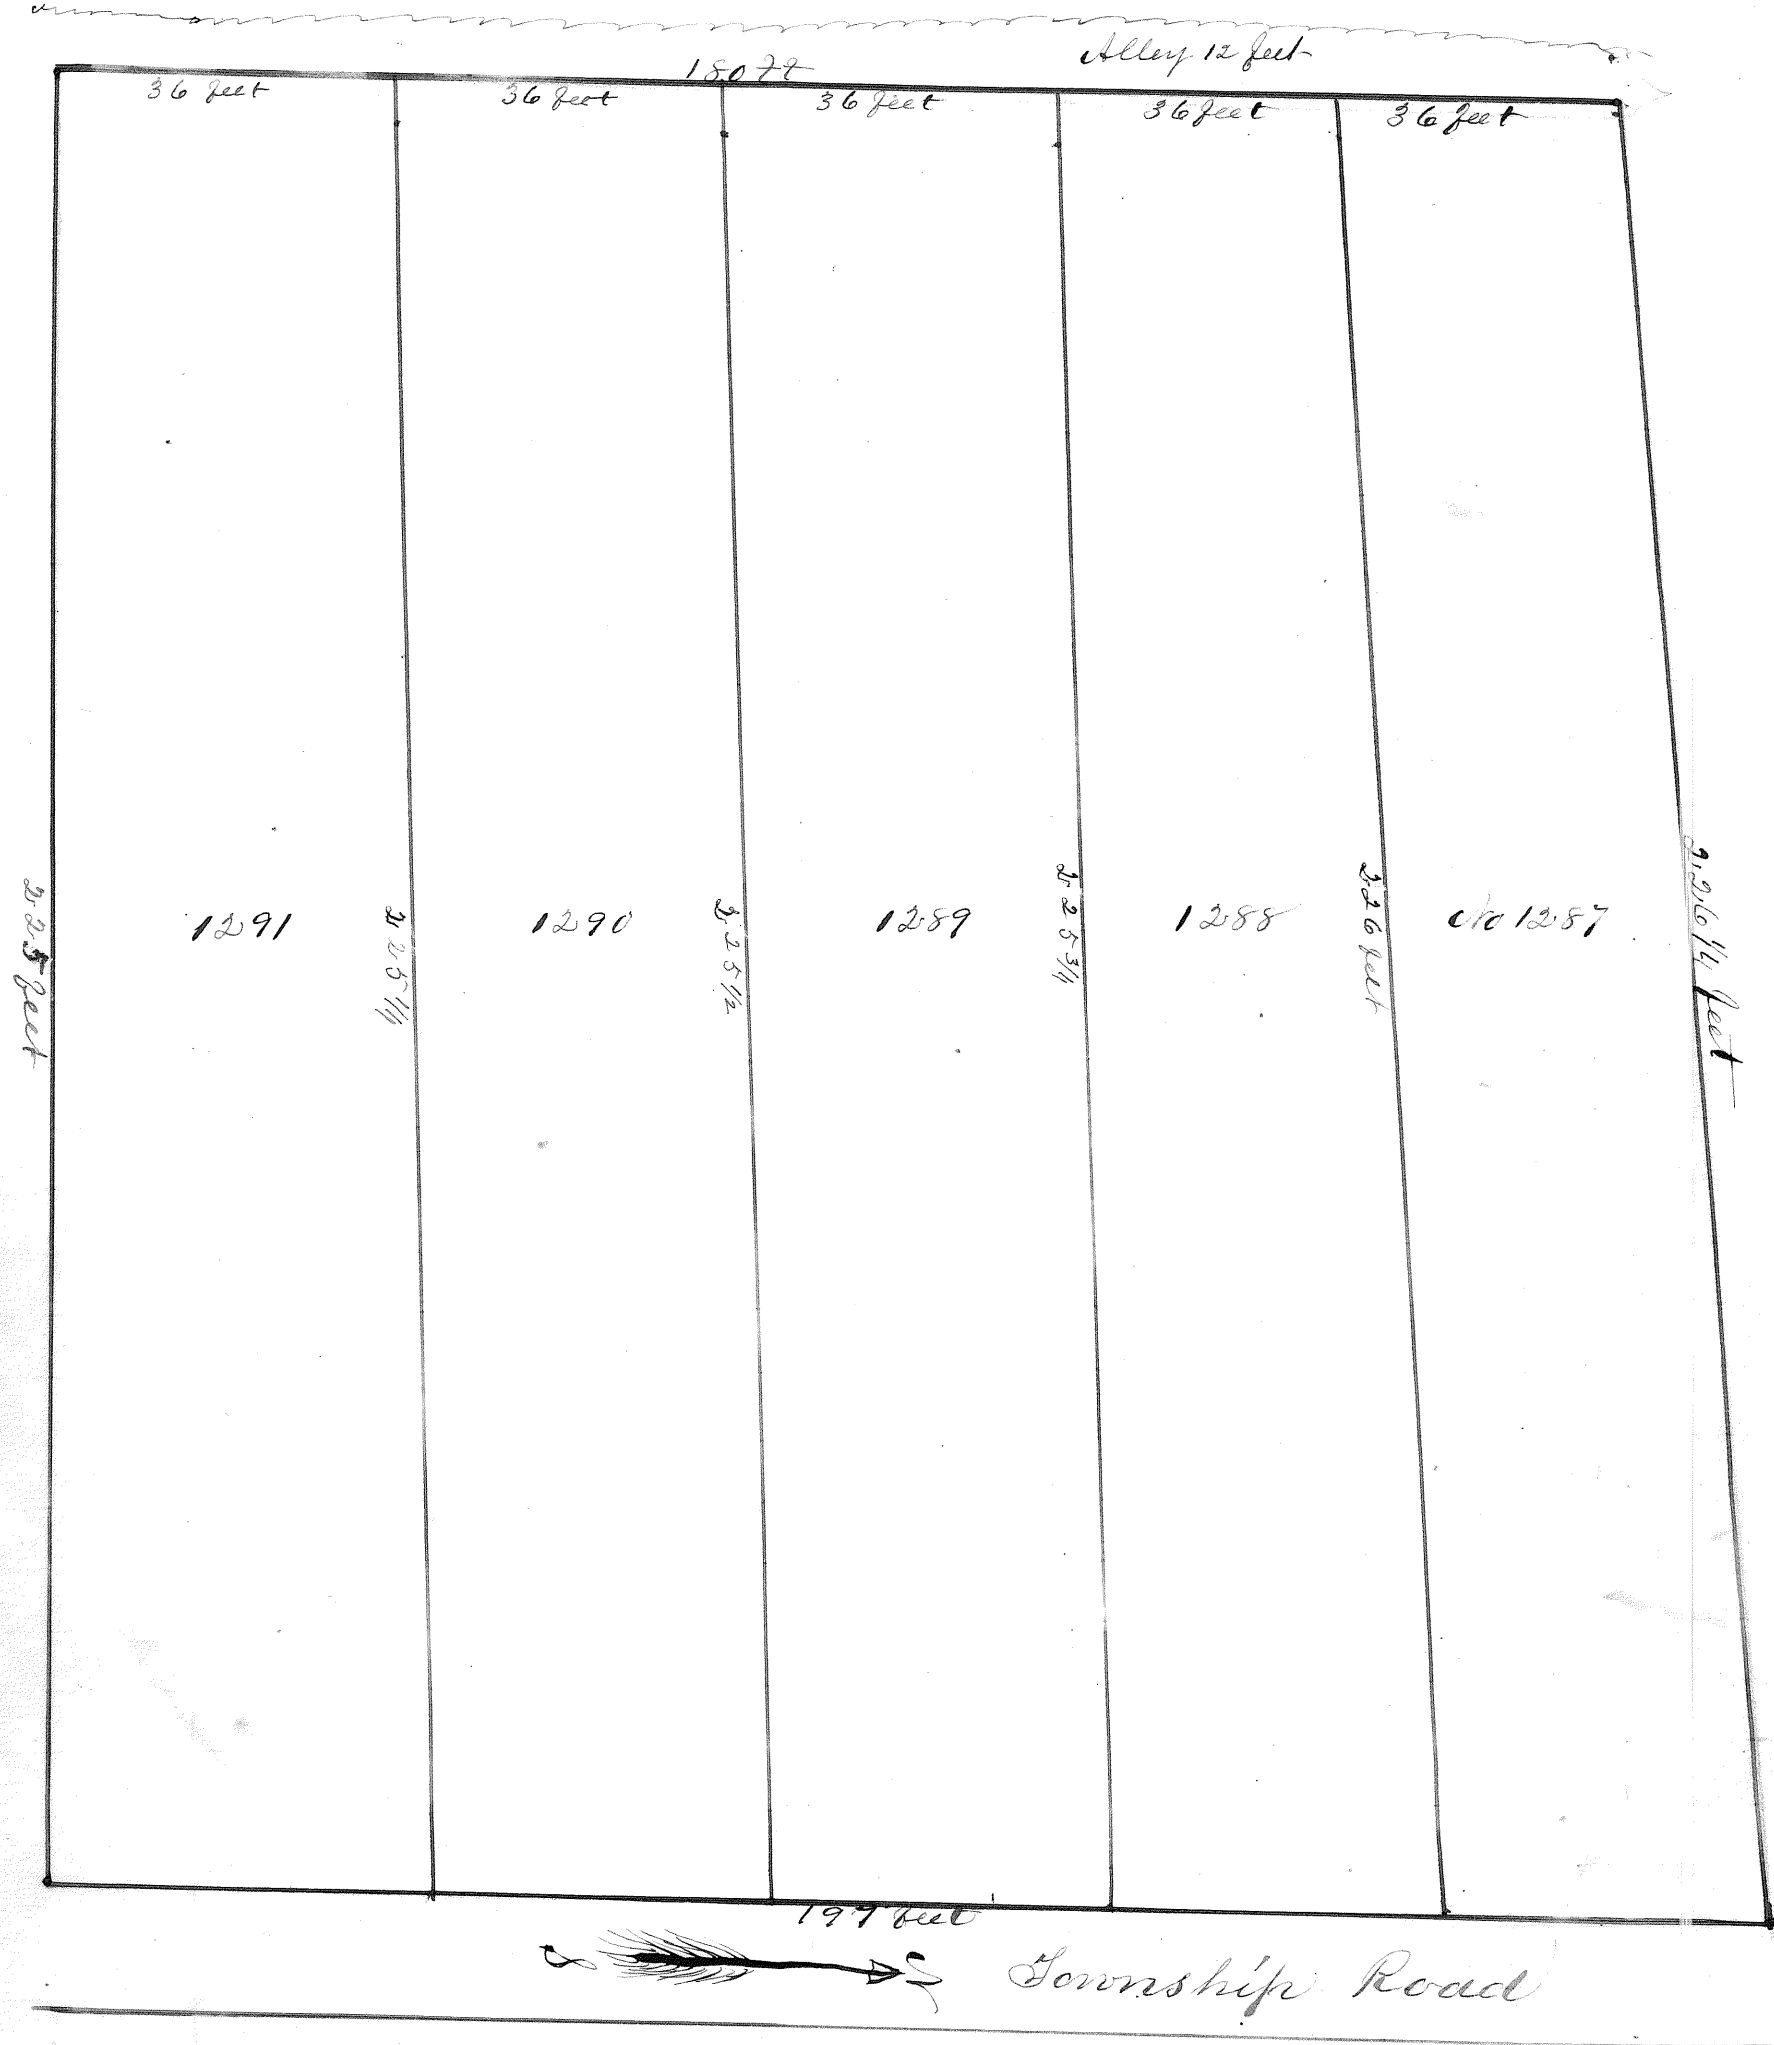

proceed as authorized by law, and it is further ordered that said defendant pay the costs of this suit within ten days or that execution issue therefor as upon judgment at law. In testimony whereof I have hereunto set my hand and the seal of said court at Troy this 15th day of November A.D. 1873.

Commissioners proceedings relating to the annexation of Territory to the Incorporated village of Milton - regular session May June 4th 1874. Board met. Present: Brown, Taylor & Coate. Aud. Clerk.
C. P. Kellogg filed papers relating to annexation of territory to the Incorporated village of Milton. The papers filed embraced the petition signed by Erasmus Tucker for and on behalf of the

Incorporated village of Milton praying for the annexation of territory therein described together with the ordinances authorizing the same duly certified as to passage and publication with a Plat of territory designed to be annexed. Whereupon the Commissioners named the 5th day of Aug. A. D. 1874 at 10. A. M. as the time when they would meet at Auditor's office in Troy to hear and decide the above application, and C. P. Kellogg Atty for said Agent being present was duly notified of the time of said hearing.

B. F. Brown, Pres of Board.

Monthly session Aug 5th 1874.

Board met. present: Brown, Baylor + Coate, Auditor, Clerk. In the matter of the annexation of Territory of the Incorporated village of Milton, this being the day fixed for hearing, the case was adjourned over to Tuesday Aug 11. A. D. 1874 at 10. o'clock A. M. in consequence of indisposition of B. F. Brown, both parties being represented, and consenting to the postponement.

H. S. Lemmer, Clerk.

B. F. Brown, Pres. Board.

Monthly Session continued Aug. 11. 1874.

Board met. in accordance with adjournment, present. Brown - Baylor + Coate, Auditor Clerk.

In the matter of annexation of Territory to the Incorporated village of Milton, this being the day fixed by adjournment for hearing and the counsel of both parties being present and ready for trial, the case was opened. Harver Bellers, counsel for opposition to annexation, offered a motion to dismiss the case, on the ground, that the petition, praying for the annexation was in the name of Erasmus Tucker for and on behalf of the Incorporated village of Milton, and should have been in the name of the Incorporation, through its Agent, C. Tucker.

After hearing arguments by counsel pro and con, the Board decided to overrule such motion of dismissal, whereupon the following exception was presented. And now comes A. C. Coast who is one of the parties proposed to be annexed to the Incorporation of Milton in said County, and for and on behalf of himself and others, remonstrants excepts to the overruling of the motion, to dismiss said proceedings for the cause that there is no application to annex the said territory by petition of the Incorporated village of Milton, but only on behalf of Agent.

A remonstrance was then presented to the Commissioners by defendants signed by numerous citizens both of the village, and the territory sought to be annexed, praying the Board not to grant the prayer of the before named petition. The records of the Town Council of the before named village were also offered as evidence by defense, and upon said evidence the following motion was offered by defendants counsel. The said A. C. Coast and others remonstrants now move, the Commissioners to dismiss said petition and proceedings for the following reasons.

1st That the ordinance under which proceedings are had was not legally passed.

2nd There was no ordinance passed by the Council of the village of Milton for the annexation of the proposed territory as required by law. After hearing testimony, and also arguments of counsel, said motion was overruled and the Board decided that Plat of said territory sought to be annexed is properly made, and that the limits thereof have been accurately described, and that the notices required by law to be given have been as given, and that the law in all respects had been complied with, whereupon the following resolution was offered and adapted.

Resolution.

Resolved, that the territory described in the petition filed by the Agent be, and the same is hereby annexed to and made a part of said Incorporated village of Milton. The vote being as follows, Brown, and Baylor, yea, nays, none. W. M. Coate being excused from voting by his own request.

The description of the territory annexed and as described in petition was as follows.

Beginning at the North West corner of Out Lot number eleven (11) in said village of Milton, thence North with West boundary lines of Sections 21, & 16, S. 6, R. 5 to the North West corner of the South West quarter of said Sec. 16, thence East with the half line of said Sec. 16, to the West bank of Stillwater river, thence South with the meanderings of the West bank of said river to the North West corner of Out Lot No 12 of said town, thence West with the Northern boundary of said village to the place of beginning.

Also beginning at the South West corner of Out Lot No 1, of said Incorporated village, thence South with the West boundary of the South West quarter of Sec. 21, S. 6, R. 5, 13 $\frac{1}{2}$ chains thence S. 86 $\frac{1}{2}$ E with the South boundary lines of the lands owned by Peter Johnson, Frank Johnson, and Randall & Sinks to the West bank of Stillwater river, thence North with the West bank of said river to the South East corner of Out Lot No 23 of said village, thence West with the Northern boundary of said Incorporated village to the place of beginning.

Petition

To the Commissioners of Miami County, State of Ohio.

The complainant, the Incorporated Village of Fletcher Ohio of sd county, represents that the duly elected, qualified and acting majority of the common council of sd village on April 22nd 1878 passed an ordinance which has since been duly published, for the enlargement of the incorporated limits of sd village by the annexing of contiguous territory.

A true copy of the proceedings of sd common council of sd village under certified transcripts of its qualified and acting clerk is herunto attached marked "A" and made part of this petition. an exact plat of the property sought to be annexed and described in sd ordinance found in Exhibit "A" is also herunto attached marked "B" and made part of this petition. Your petitioners the sd incorporated village of Fletcher after due notice has been given ask that sd annexation of lands described in sd ordinance be approved and confirmed according to law by your Honorable Board.

Incorporated Village of Fletcher by
Sullivan & Carnwark its Attys.

Remonstrance To The Commissioners of Miami County, Ohio.

We the undersigned your petitioners respectfully remonstrate against the proposed annexation of the territory as described in the Petition to the Village of Fletcher Miami Co. Ohio for the following reasons. On lands many have streets and alleys opened which would be of no advantage to the corporation. if opened would be a great damage to our lands for farming purposes. lands can not be sold or improved at present as for building purposes. there is all the lots vacant to supply for years. such an extension of corporate limits will be a great damage

to our lands. To our farms make them almost worthless for farming.
we ask your sincere judgment and protection of the interests of the community.

To The Commissioners of Miami County, Ohio.

The undersigned your petitioners, respectfully remonstrate against the proposed annexation of the territory lying west of the Branch of Lost Creek North side to the Village of Fletcher, Miami County, Ohio. for the following reasons.

- 1st There are no improvements west of said creek to suggest or justify such annexation.
- 2nd That the said territory lying west of said creek is in farm and horse pasture lands, and could not be benefited by such annexation.
- 3rd That the increased taxation by reason of being annexed to said village would destroy the value of the farm and pasture lands proposed to be annexed June 8th 1878.

Plat of Territory proposed to be annexed
to The Village of Covington, Miami Co. O.

Covington, Extension of Corporation.

To the Honorable, The Board of Commissioners
of the County of Miami, and State of Ohio.
Gentlemen:—

Your Petitioners respectfully beg to represent.

First: That at a special meeting of the Common Council of the Village of Covington, Miami County, Ohio, held on the 20th day of November 1879, an Ordinance was duly and legally passed authorizing the annexation of certain contiguous territory to the original corporate limits, viz:

All that territory embraced by lines commencing at the South West corner of the Village of Covington, O. at the intersection of the Stillwater river, with the section line dividing sections thirty (30) and thirty one (31) in Town eight (8) of Range five (5) East. Thence East with said section line to the half section line dividing section twenty-nine (29). Thence North with said half section line to the quarter section line dividing the South West quarter of section twenty. Thence west with said quarter section line to the East boundary of Stillwater river. Thence South with the East boundary of said river to the place of beginning, and not now included in the corporate limits. All of which territory is in Township eight (8) of Range five (5) East. For a more thorough exposition of which territory see the accompanying plat which is made a part of this petition.

Second: That J. K. Marlin was declared the authorized agent of this corporation, to prosecute such proceedings in the premises as are required by Statute.

Your Petitioners humbly pray that the annexation of such contiguous territory to the original corporate limits may be made for the following reasons.

First: The present limits are inadequate to the rank and dignity of our village, for that they are but half as large as the village of Pleasant Hill, and one third as large as the village of Bradford, both of this County.

Second: The contiguous territory asked to be annexed has thereon many habitations and inhabitants, which will add largely to the wealth and population of the village.

Third: The Dayton Covington & Toledo Railroad is located barely without the present corporate limits, which if within, would add largely to the revenue of the village.

Fourth: Such annexation will greatly facilitate the assessment of the school taxes in the Covington Special School district.

Fifth: It will add symmetry and shape to the village.

Your Petitioners therefore pray, that in contemplating this their request, consideration may be given to their rank, dignity, limited territory and the availability of the contiguous territory proposed to be annexed. And this your petitioners most humbly pray.

"To the Honorable, the Board of Com^{rs} of the County of Miami & State of Ohio. Gentlemen: -

Your petitioners respectfully beg to represent:

First: That at a special meeting of the Common Council of the Village of Covington, Miami Co. O. held on the 20th day of Nov. 1879. An ordinance was duly & legally passed, authorizing the annexation of certain contiguous territory to the original corporate limits, viz:

Second: That J. M. Marlin was declared the authorized Agent of this corporation, to prosecute such proceedings in the premises as are required by statute.

Your petitioners humbly pray that the annexation of such contiguous territory to the corporate limits may be made for the following reasons:

First: The present limits are inadequate to the rank & dignity of our village; for that they are but half as large as the village of Pleasant Hill, and one third as large as the village of Bradford, both in this County.

And the objections to petition by Remonstrants on file, in words & figures as follows to-wit:

1st: The records do not show that a majority of the town council, were present & voting affirmatively.

2nd There are no petitioners in the territory sought to be annexed, favorable to such annexation, on the contrary all have signed the remonstrance, except one.

3^d The extension should have been made west, as well as east.

4th The property sought to be annexed is mostly farm property, not needed for town lots.

5th Residents will have to pay heavy taxes & have no benefits.

Evidence was also heard & arguments by Counsel, in consideration whereof the Comrs find that the objections filed by remonstrants are not well taken, and over-rule the same: to which ruling remonstrants except. And the Board find that due & legal notice, as required, has been given of the pendency of the petition.

They further find that said village, is a village duly incorporated as a municipal corporation, under the laws of the state of Ohio & they further find that said ordinance in said petition set forth, was duly passed as averred in said petition, by a majority of the members of the Council of said village. They further find that the averments of said petition are true, and that the annexation as prayed for in said petition, is right and should be granted. And it is further found & ordered by said

Board, that said premises described in said petition & plat be and are hereby made a part of the Village of Covington.
