Studabaker, Aye. Whereupon after hearing all persons interested, both for and against the prayer of the petition the Commissioner do find that due and legal notice containing the substance of the petition and the time and place where said petition would be heard was published and posted in accordance with the law. The Commissioners do further find that the petition contains such matters as are required by law and that its statements are true; that the name proposed for the Village of Ludlow Falls is an appropriate name for said Village; that the limits of the proposed incorporation are accurately described in said petition and that said limits are not unreasonably large or small; that the plat is accurate; that the persons whose names are subscribed to the said petition are electors residing within the limits of the territory described in said petition and the plat; that there is the required population sufficient for said proposed corporation and it appears to the said Board of Commissioners right and proper that the prayer of the said petition be granted. Therefore be it Resolved by the Board of Commissioners of Miami County, Ohio, that said Village of Ludlow Falls, Miami County, Ohio, be and the same hereby is incorporated into a Village, said Village to be known as the Village of Ludlow Falls, Miami County, Ohio, and that said corporation be organized in accordance with the law.
