SWANKMOOR PLAT

Being a Subdivision of 4.79 Acres located in Bethel Township, County of Miami, State of Ohio, and being part of the Swankmoor tract as recorded in Deed Book Page of the Deed Records of said County.

hereby certify that the above plat was made under my direction on June 15, 1954. All measurements certified correct.

Ernest O. Brown
 ERNEST O. BROWN
 REG. CIVIL ENG & SURVEYOR
 1516 EMMONS AV.
 DAYTON, O.

-PROTECTIVE COVENANTS-

All lots in the tract shall be known and described as residential lots. No structures shall be erected, altered, placed or permitted to remain on any residential building plot other than one single family dwelling not to exceed one story in height and a private garage for not more than two cars.

No building shall be located nearer to the front line nor nearer to the side street line than the building setback line shown on the recorded plat. All buildings erected for dwelling purposes shall be erected to provide a total of not less than 20' of side yard space, said side yard space may be divided unevenly provided no portion of any building is erected closer than 10 feet to any lot line.

No lot shall be hereafter subdivided into parcels for additional residential purposes.

The ground floor area of the main structure, exclusive of open story open porches and garages, shall not be less than 950 square feet in the case of a one story structure.

No trailer, basement, tent, shack, garage, barn or other outbuilding erected in the tract shall at any time be used as a residence temporarily or permanently nor shall any residence of a temporary character be permitted.

No fence shall be erected on any lot closer to the front lot line than the rear building line.

No sign or billboard shall be erected on any lot in this subdivision. No barn, stable or other outbuilding for housing domestic animals or poultry shall be erected on the premises.

Utility and storm sewer easements are shown and provided for on the plat.

These covenants and restrictions are to run with the land and shall be binding on all parties and all persons claiming under them until July 1, 1974, at which time said covenants and restrictions are automatically extended for successive 10 year periods, unless by vote of a majority of the property owners in the subdivision, these covenants are amended or terminated.

These covenants shall be enforceable by injunction and otherwise by the grantor, its successors or assigns.

Invalidation of any of these covenants by judgement or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

No building shall be erected, placed or altered on any lot in this subdivision until the building plans, specifications and plot plan showing the location of such building have been approved in writing as to conformity in design with other structures in the subdivision, by the subdivider, his representative, or by a committee composed of three lot owners as designated by the majority of the lot owners.

Until such time as a sanitary sewer system shall have been constructed to serve this plat, a sewage disposal system constructed in accordance with the requirements of the County Board of Health shall be installed to serve each dwelling. The effluent from septic tanks shall not be permitted to discharge into a stream, storm sewer, open ditch or drain.

Until such time as a public water supply is available to serve this subdivision, drinking water shall be supplied from individual wells drilled for each dwelling erected in the area in accordance with the requirements of the County Board of Health.

We, the undersigned being all the owners and lienholders of the lands herein platted, do hereby voluntarily consent to the execution of said plat and to dedicate the streets as shown hereon to the public use forever.

We also hereby dedicate easements for the construction, operation, maintenance, repair, replacement or removal of water, sewer, gas, electric, telephone, or other utility lines or services, and for the express privilege of removing any and all trees or other obstructions to the free use of said utilities and for providing ingress and egress to the property for said purposes and are to be maintained as such forever.

EXPLANATION:

The lower plat is platted from the description given in deed of "Brooks to Miami Conservancy Dist." Deed Book No. 174 Pg. 270 Miami Co. Record.

The upper plat is traced from a plat of the same ground and other ground to the north, said ground and plat being the property of S.R. Fergus.

The traverse of the levee in the upper plat is a retracement of the line shown below and has been monumented as shown and is now the recognized property line.

The shaded outline in both plats shows the ground to be occupied by the proposed water works system of the City of Troy, Ohio.
