

ARTICLE 2 INTENT AND PURPOSE

This Resolution is based on a plan, the purpose of which is to lessen the congestion on public streets, reduce undue hazards due to flooding, and to promote public health, safety, and morals. The above mentioned Plan has been formulated with due consideration, among other things, to the character of each district of the County and its peculiar suitability for particular uses; to the conservation of property values; to the general trend and character of building and population development; to the advancement of social and economic stability; and to the adequate provision of public transportation, streets, and other public facilities. It is the further purpose of this Resolution to safeguard the public health, safety, and morals.
